- How, then can they call on the one they have not believed in? And how can they believe in the one of whom they have not heard? And how can they hear without someone preaching to them? And how can they preach unless they are sent?
-and how can they be sent if they will not be allowed to enter?

“SAT-7 is the only Christian channel that Christians from all denominations can gather around and watch together. May the Lord bless you for reflecting the good Christian image to the World.”

Lives Changed: What the Children Say

“When my Dad first told me about your channel, I did not want to watch it, but now I watch it everyday.

This channel is so beautiful that the word ‘beautiful’ is not enough to express my love for you.”

A girl from Palestine

Lives Changed: What the Viewers Say

“Many are gathering around their TV’s and using the broadcasts as a weekly church meeting. They even stand during the songs, and take up an offering. You can’t imagine how encouraging this is for these believers.

Thank you!”

An Iranian Pastor

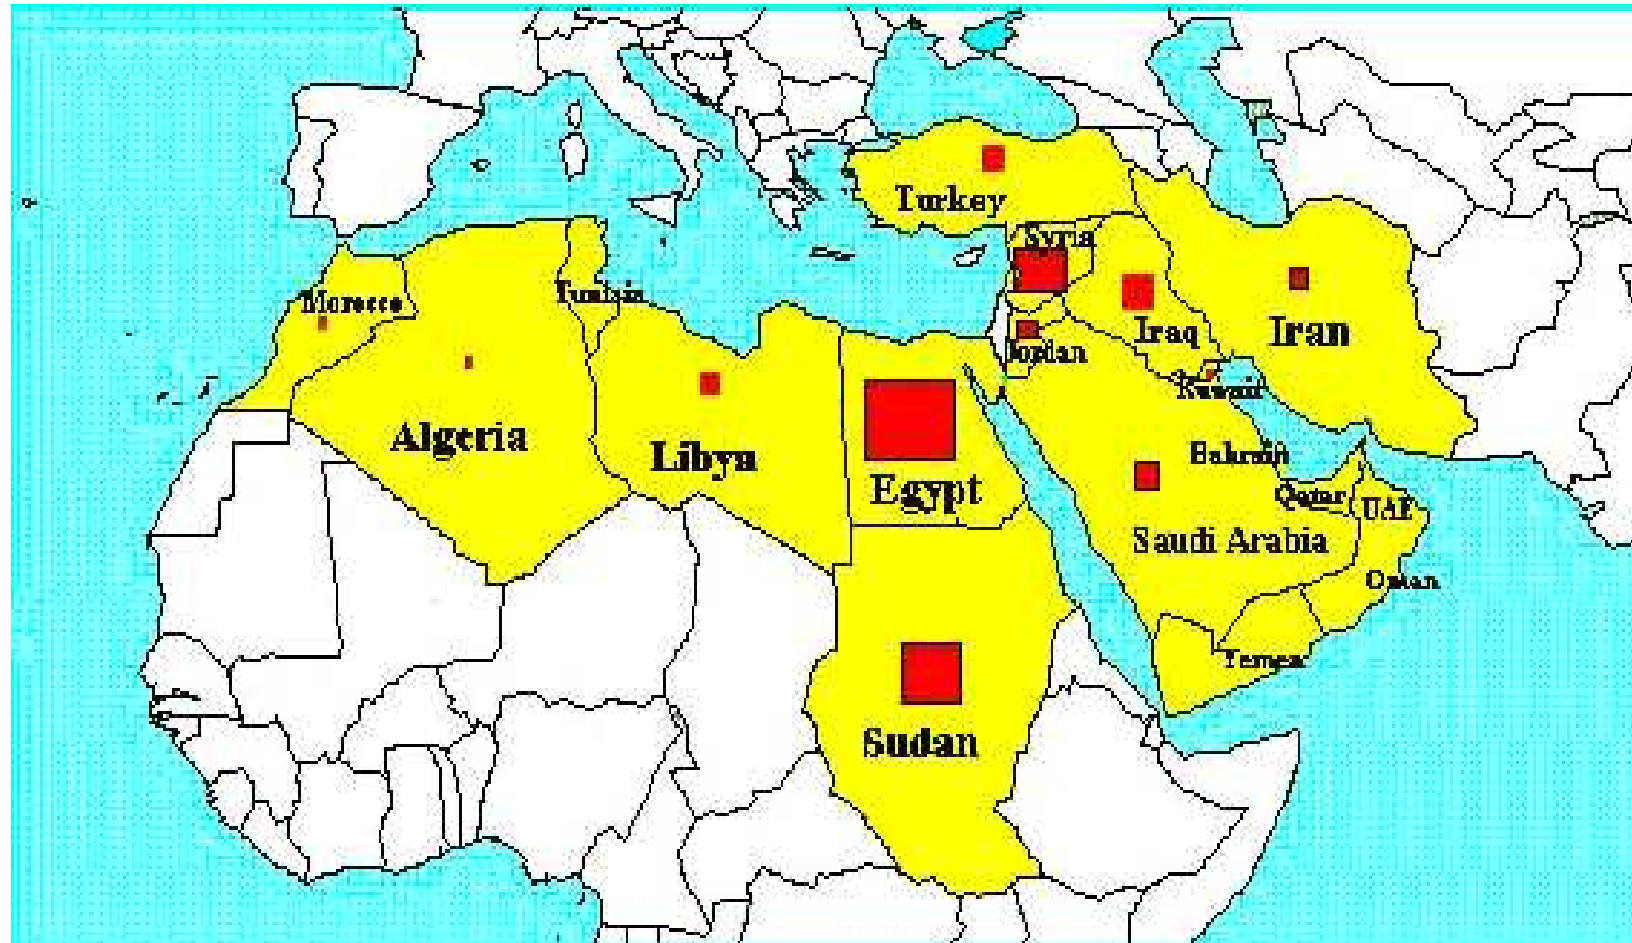

Lives Changed: What the Viewers Say

“Thank you very much for your prayers, wonderful programs and songs. My husband and I can’t go to church all the time because of the situation in our country. I consider SAT-7 my church where I experience God’s healing and comfort and where I hear the Word of Life.”

The only answer to the problems
in the Middle East is to make
God's Love visible

Habakkuk 1:5

- Look at the nations and watch – and be utterly amazed. For I am going to do something in your days that you would not believe , even if you were told.
